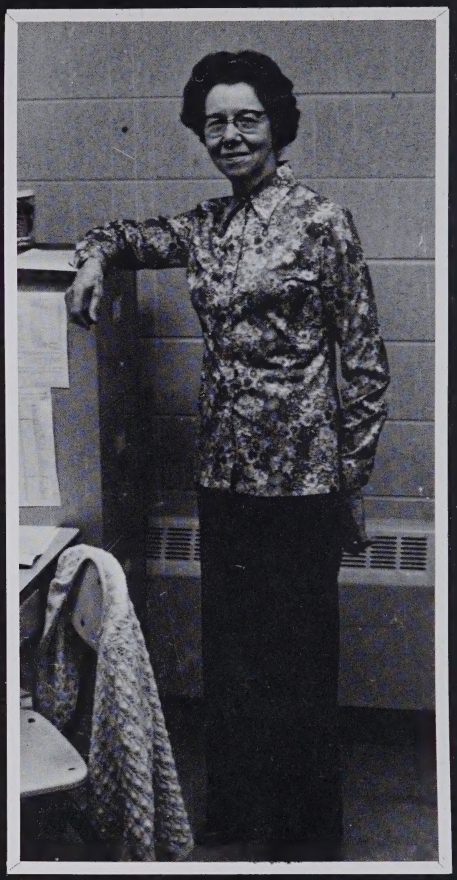
Sylva, North Carolina
"An Open Door Institution"

SOUTHWESTERN TECHNICAL INSTITUTE

Dedication



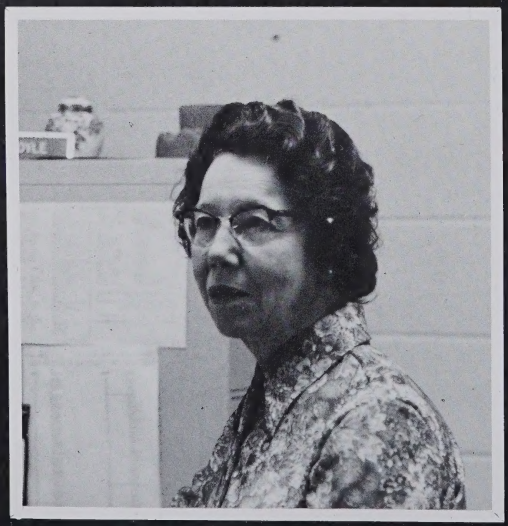
She has worked for us and with us by giving generously of her time and wisdom—words cannot express our appreciation and admiration of her.

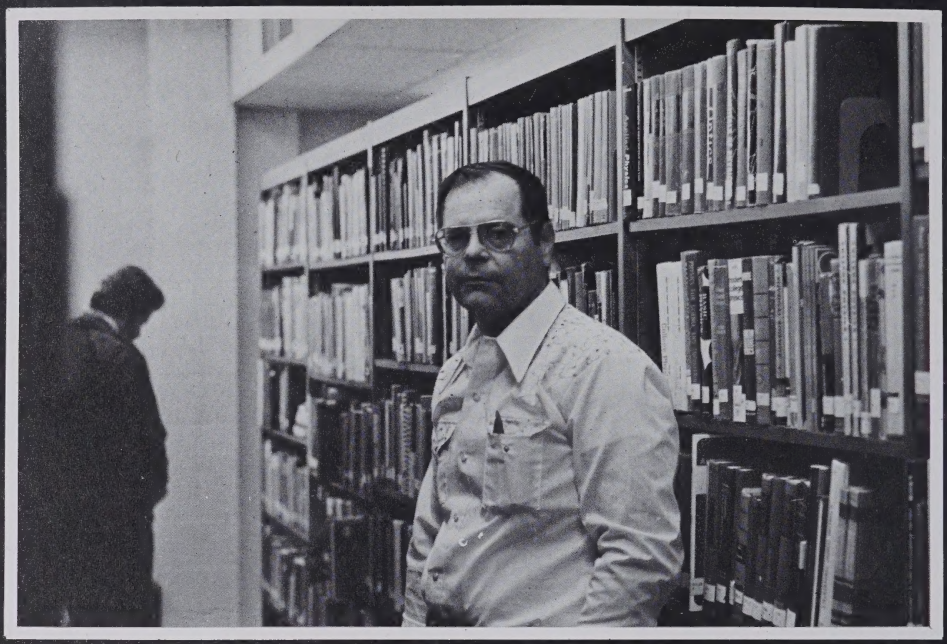
We have been priviledged to know such a person who not only enjoys her work but has gone way beyond the demands of the job.

She has been an educator in Western North Carolina for over 40 years. This woman has helped and is still helping all those who are associated with her. She is curriculum head for the Early Childhood Cirriculum at Southwestern Technical Institute. In addition to her teaching she is an active member of her church and community.

Students of Southwestern Tech respect and look to her for advise and help. She is never too busy to stop and help the students in any way she can.

This appreciation we offer is small compared to the many years of devoted service offered by her. It is with great pleasure that the Annual Staff and students of S.T.I. dedicate the 1978 Open Door to Mrs. Annie Hoyle.





We, the Annual Staff of the 1978 Open Door, wish to express our sincere appreciation to Mr. John Riley. The Annual Staff is greatly indebted to Mr. Riley because of his time, patience, and understanding. No words could begin to express our many thanks we owe to him. Without his help, the 1978 Open Door would not have been possible. Again, thank you.

ORGANIZATIONS

Student Government Association

Jay Border
President

One word can define our Student Government Association for this year PROGRESSIVE. Major events such as STI-HTI Field Day, Disco Dance, Christmas Party, and Ski Day added greatly to the social life for our student body.

And lets not forget the time and effort which went into updating the SGA Constitution!
